SA PARSONS Okay.

RANA ...uh, United States banned that organization...

SA PARSONS Okay.

RANA ...and then they changed to or maybe there's another organization. But since I don't read all that, but I do understand, either, they all moved here or there was already an organization, and this organization ban, but I would understand that they just, you know, from there...

SA PARSONS So you understand they're the same thing, just a
