

This Eid, bring a smile to the families of the martyrs of Al Aqsa

Released March 1, 2001

On the Eid

On the Eid, people are happy. It is an occasion that Allah has ordained for Muslims to celebrate. Yet those Muslims in the Holy Land of Palestine will be celebrating the Eid under the brutal occupation of the Zionist State. While we are enjoying our holiday with our families, visiting one another, and giving gifts, our brothers and sisters in Palestine are sacrificing their lives to defend Masjid Al Aqsa.

“Project Smile”

Originally initiated on Eid Al Fitr, over two months ago, Project Smile has brought joy to the families of those brave souls who have been killed by the Israeli's. This was done when hundreds of Muslims from North America answered the call of the IAP and others to pick up the phone and call these families to show them that their Muslim brothers and sisters have not forgotten about them.

The Islamic Association For Palestine (IAP) calls on you again to take time out to bring smiles to the faces of those who have given their loved ones in the name of the cause.

All that you need to do is pick up the phone and dial some of the families of the martyrs listed below.
