NORTH AMERICAN ISLAMIC TRUST (NAIT)

MUSLIM ORGANIZATIONS WITH TIES TO NAIT:

Within the organizational structure of NAIT, there have been numerous groups and individuals identified as being a part of a covert network of revolutionaries who have clearly indicated their support for the Islamic Revolution as advocated by the AYATOLLAH KHOMEINI and his government as well as other fanatical Islamic Shiite fundamentalist leaders in the Middle East. This faction of Muslims have declared war on the United States, Israel and any other country they deem as an enemy of Islam. The common bond between these various organizations is both religious and political with the underlying common goal being to further the holy way (Islamic Jihad).
