

		<p>They are to obtain stable housing</p> <p>They are to maintain weekly contact with their attorneys</p> <p>They are to attend all future hearings in this case</p> <p>They are not to consume alcohol or illegal drugs</p> <p>They are not to have any firearms or dangerous weapons in their possession</p> <p>Nobody is to leave the County without permission of the Court</p> <p>They are only to have supervised contact with the children that are in State's custody</p> <p>At such time as the Defendants do acquire stable housing, they may request a release from the GPS Monitor</p> <p>The State also has the option at any time to renew their Motion if additional facts indicating a more substantial threat come to light</p>
<u>6:18:57 PM</u>	P - Mr. Hasson	Would ask the Court to Order that the Defendants not discuss these cases with their children or with each other
<u>6:19:13 PM</u>	J	<p>The Court thinks that that is appropriate</p> <p>The Defendants are not to discuss any of the facts of this case with any of the children, and they are not to discuss it among themselves</p>
<u>6:19:27 PM</u>	D - Mr. Clark	Asks if the Court will prepare the Conditions of Release
<u>6:19:33 PM</u>	J	The Court will do it
<u>6:19:48 PM</u>	D - Mr. Kostich	<p>Has one additional matter</p> <p>The matter of the GPS and the House Arrest condition to ensure that it is paid for</p>
<u>6:20:08 PM</u>	J	Mr. Kostich is requesting House Arrest with the GPS because that would require the County to provide the GPS
<u>6:20:18 PM</u>	D - All Defense Attorneys	No objection
<u>6:20:22 PM</u>	J	<p>So House Arrest will be Ordered</p> <p>The exceptions would be to meet with attorneys, attend any medical appointments and appointments with their children</p>
<u>6:20:42 PM</u>	P - Mr. Hasson	<p>Stated that to their knowledge, the compound in question is really not fit to live in</p> <p>Asks the Court to find that it does not qualify for stable housing</p>
<u>6:20:57 PM</u>	J	<p>That would not qualify, because at this point, as the Court understands, there is no electricity for the monitors</p> <p>You can revisit that question if you need to</p>
<u>6:21:19 PM</u>	J	Thanks all
<u>6:21:21 PM</u>	J	Recess
