**ORDER** 

SAJMIR ALIMEHMETI,

Defendant.

PAUL A. ENGELMAYER, District Judge:

On February 15, 2018, this Court issued a public opinion resolving the Government's motion *in limine* for protective measures regarding its undercover officers. Dkt. 112. That opinion indicated that the Court would shortly file a supplementary opinion providing further justification for its ruling based on classified material.

However, on the record at conference today, Mr. Alimehmeti pled guilty to the two-count superseding indictment. Thus, the Government's motion *in limine* is now moot. The Court, therefore, will not file its supplementary opinion.

SO ORDERED.

Paul A. Engelmayer

United States District Judge
