Military Statement issued by Qassam Brigades

By God's grace and success from Him, the hero mujahid Ra'ed Nabeel Al-Barghouti from the village of Aboud in Ramallah carried out suicidal mission on the Al-Anbiyya' (Prophets) Street on Tuesday morning, 09/04/2001 in the heart of occupied Jerusalem. He was able to penetrate all the enemy's fortifications breaking its myth of the impregnable security measures which claim success after success. Five Zionists were killed and tens wounded according to our private resources. Our mujahiddin returned to their bases safely awaiting the next mission.

This operation comes to avenge the bloods of our faithful martyrs and as a response to the cowardly assassination perpetrated against the two mujahiddin leaders Muhammed Dhaif and Adnan Al-Ghoul, and brother Abu Ali Mustapha. This retaliation is but the introduction to a series of future operations that will force terrorist Sharon and his General Mofaz to admit defeat before the will of jihad and resistance. We warn Mofaz that if he were lucky to escaped Qassam's bullets near Jerusalem last week, we promise that will not happen second time around by God Almighty.

Finally, we especially present this operation to the martyred Qassamite mujahid Bilal Al-Ghoul who sacrificed his father with his innocent blood. Look forward for the next Qassam Surprise.

Allah w Akbar and praise the Lord
