

A letter from Rassam Ahmed to Judge Coughinour

I write this letter to you in regard to "the allegation" of the prisoner "Mr. Hassan Zamiry" who is in Guantanamo prison in the Island of Cuba.

The allegation: Is that Mr. Hassan Zamiry had provided aid and support for the operation I was about carry out. This is not right, it is false.

I heard about this through the attorneys (Tom Hilliard, Michael Hilo Bofitsh) while in court -before the last court session where the sentencing was issued-. I then talked to them about this "allegation" and requested that I meet with the Prosecutor or the FBI detectives to clarify this issue of the "Allegation". They refused and told me that it is a complicated matter because he is the custody of the Military Court, but if you want to we can inform (Mr. Hassan Zamiry's Attorney) about this allegation . I did agree to that.

But recently I have been having problems with my attorneys and I don't trust them or their promises anymore.

This is why I have decided to write to you (Judge Coughinour) about this "Allegation" because it is not right or just to accuse somebody of something not true and false. Fistful: When I dealt with Prosecutor at the beginning, I was in shock and had a severe psychological disorder as I result of the court results. I was not sure about m statements.

Then after a while I began to re-gain my strength I started explaining and clarifying this "allegation" in another interrogation with the detectives. The Prosecutor and the integrators did not believe my true statements and chose to believe my initial testimony at the begging of the wrong integration.

\*\*This is why I would like to make sure I clarify for he last time this "allegation" \*\*\*  
-Mr. Hassan Zamiry is innocent and has no relation or connection to the operation I was about to carry out. He also did not know anything about it and he did not assist me in anything.

-It is true that I have borrowed some money and a camera from him, but this was only a personal loan between me and him. It has nothing to do with my case "or support as the Prosecutor had alleged"

Judge Coughinour: I request that you please read my letter with attention and hope you can put things where they belong. Thanks.

Signed: Rassam Ahmed
