12
13 ED: They still have people in Prishtina that will take up a gun and fight.
14
15 AA: *I'll tell you what brother no organization, no organization in*

33 *not do that. If we planned four [4]-five [5] years before, stock*
34 *with the weapons and all that shit, it would have been so much*
35 *easier, we could have actually fought.*
36

15
16 DD: *With that little bit of light which might be there.*
