THE GRAND JURY CHARGES:

INTRODUCTION

1. JUSTIN NOJAN SULLIVAN ("SULLIVAN"), defendant herein, a national and resident of the United States, was in communication by electronic means from his home in Burke County, within the Western District of North Carolina, with individuals he understood to be member(s) of the Islamic State of Iraq and the Levant ("ISIL"), a designated foreign terrorist organization, in the course of preparing to conduct terrorist attacks in the United States in aid of, and in coordination with, ISIL's calls for violence by its supporters around the world.

SULLIVAN's Attempt to Provide Material Support to ISIL:

2. On October 15, 2004, the United States Secretary of State designated al-Qa'ida in Iraq ("AQI"), then known as Jam'at al Tawhid wa'al-Jihad, as a Foreign Terrorist Organization under Section 219 of the Immigration and Nationality Act and as a Specially Designated Global Terrorist under section 1(b) of Executive Order 13224.
3. On May 15, 2014, the Secretary of State amended the designation of al-Qa'ida in Iraq ("AQI") as a foreign terrorist organization under Section 219

of the Immigration and Nationality Act and as a Specially Designated Global Terrorist entity under section 1(b) of Executive Order 13224 to add the alias Islamic State of Iraq and the Levant (“ISIL”) as its primary name. The Secretary also added the following aliases to the ISIL listing: the Islamic State of Iraq and al-Sham (“ISIS”), the Islamic State of Iraq and Syria (“ISIS”), ad-Dawla al-Islamiyya fi al-‘Iraq wa-sh-Sham, Daesh, Dawla al Islamiya, and Al-Furqan Establishment for Media Production. Although the group has never called itself “Al-Qaeda in Iraq (“AQI”),” this name has frequently been used to describe it through its history. To date, ISIL remains a designated foreign terrorist organization. In an audio recording publicly released on or around June 29, 2014, ISIL announced a formal change of its name to the Islamic State (“IS”).

4. On or about September 21, 2014, ISIL spokesperson Abu Muhammad al-Adnani called for attacks against citizens—civilian or military—of the United States and other countries participating in the United States-led coalition against ISIL.
5. No later than September 2014, SULLIVAN converted to Islam and began watching violent ISIL acts on the Internet, such as beheadings. SULLIVAN openly expressed support for ISIL in his home and destroyed religious items that belonged to SULLIVAN's parents.
6. On or about December 17 and 18, 2014, SULLIVAN was in possession of a stolen .22 caliber Marlin Model 60W rifle (the “.22 Marlin”). SULLIVAN used the stolen firearm that day to murder his neighbor, 74 year old John Bailey Clark (“Mr. Clark”), in Mr. Clark's home, a few houses down from SULLIVAN's residence. SULLIVAN hid the stolen firearm, a black ski mask, muddy clothes and lock pick kit in a crawl space in the home he shared with his parents.
7. Beginning no later than June 6, 2015, SULLIVAN attempted to provide material support to ISIL by planning terrorist attacks, and discussing such plans with an undercover law enforcement employee (“UCE”), whom SULLIVAN attempted to recruit to join in such attacks. During the course of their conversations, SULLIVAN made clear to the UCE that he was familiar with ISIL's social media efforts to encourage followers to conduct terrorist attacks in the United States. During one such conversation, SULLIVAN said: “I liked IS from the beginning then I started thinking about death and stuff so I became Muslim.”

8. During an electronic communication on or about June 7, 2015, SULLIVAN told the UCE it was better to remain in the United States to support ISIL than to travel, as they would be arrested or killed if they attempted to travel. SULLIVAN suggested the UCE obtain weapons, specifically “an AR-15 .223 with split core ammo...its fragmenting hollow points...deadly.” SULLIVAN stated that “u only need 600 dollars akhi for the gun and bullets” and that he would have an AR-15 assault rifle in “[a]bout 2 weeks” by visiting a gun show “close to me.” SULLIVAN later stated that the 689 dollars the FBI found in his possession upon his arrest had come from Mr. Clark. A gun show was then scheduled for June 20 through 21, 2015, in Hickory, North Carolina. On or about June 17, 2015, SULLIVAN attempted to purchase hollow point ammunition from a local gun dealer to be used with the weapon(s) he intended to purchase.
9. On June 7, 2015, the UCE asked SULLIVAN: “do you think you can kill,” to which SULLIVAN responded, “[y]es.” SULLIVAN then urged the UCE to “Just kill a few people so that I know u are truthful...just shoot then leave...wear a mask do it at night.” SULLIVAN asked the UCE: “Can u kill?” SULLIVAN added, “I’ll kill people this month.”
10. SULLIVAN researched how to manufacture firearm silencers on the Internet and then recruited the UCE to manufacture two firearms silencers that would attach to AR-15 rifles to be purchased by SULLIVAN and the UCE. SULLIVAN stated to the UCE: “We’ll be using homemade suppressors in and out we’ll kill 500 then we’ll leave inshallah,” and described the suppressors as “not too hard to make.”
11. SULLIVAN and the UCE were to use the firearms, silencers and hollow point ammunition to carry out assassinations and mass shootings. When discussing his terrorist plans, SULLIVAN said: “Our attacks needs to be as big as possible...we can do minor assassinations before the big attack for training.” SULLIVAN planned to carry out his attack in the following few days at a concert, bar or club where he believed that as many as 1,000 people could be killed using the assault rifle and silencer.

SULLIVAN’s Solicitation of an Unregistered Firearm Silencer:

12. The National Firearms Act (“NFA”) requires that firearms as defined and listed in Title 26, United States Code, Section 5845(a), be registered with the Bureau of Alcohol, Tobacco, Firearms and Explosives (“ATF”) in the National Firearms Registration and Transfer Record (“NFRTR”).

13. A "firearm" as defined in Title 18, United States Code, Section 921(a)(3)(C) and Title 26, United States Code, Section 5845(a) includes a "firearm silencer." Title 18, United States Code, Section 921(a)(24) defines the term "firearm silencer" as "any device for silencing, muffling, or diminishing the report of a portable firearm, including any combination of parts, designed or redesigned, and intended for use in assembling or fabricating a firearm silencer or firearm muffler, and any part intended only for use in such assembly or fabrication."
14. SULLIVAN requested that the UCE build him a functional silencer from a flashlight as described on Internet websites referenced by SULLIVAN. The FBI did so, and mailed a silencer to the address SULLIVAN provided to the UCE. The silencer was delivered on or about June 19, 2015, from outside the State of North Carolina via the U.S. mail to SULLIVAN at his address in Burke County, North Carolina. Having been built in accordance with SULLIVAN's instructions, the silencer did not bear the required serial number and was not registered to SULLIVAN or any other person in the NFRTR.
15. SULLIVAN took control and possession of the silencer from his mother who picked up the mail. SULLIVAN hid the silencer in the crawl space of his home with his stolen .22 Marlin, black ski mask and lock pick kit. SULLIVAN intended to use the silencer to carry out terrorist acts on behalf of ISIL.

**SULLIVAN's Use of Interstate Commerce Facilities in the
Commission of an Attempted Murder-For-Hire:**

16. On or about June 19, 2015, SULLIVAN's mother and father questioned him about the nature and purpose of the silencer, which SULLIVAN's mother had received in the mail. SULLIVAN, believing that his mother and father had and would interfere with his plan to commit terrorist acts in support of ISIL, offered the UCE compensation, to wit: money or other items of pecuniary value, to kill his parents.
17. SULLIVAN's communications with the UCE used a facility in interstate commerce: to wit, a social media application which he used to communicate with the UCE over the Internet from the State of North Carolina to the UCE's location in another State.

SULLIVAN's False Statements to Federal Agents

18. On or about June 19, 2015, SULLIVAN was interviewed by agents of the Federal Bureau of Investigation (FBI) in Morganton, North Carolina. SULLIVAN was advised of his rights, waived his right to have an attorney present and agreed to provide truthful answers to the agents' questions.
 - a. During this interview, SULLIVAN was asked, "Do you have a rifle?" SULLIVAN replied, "No, Sir."
 - b. SULLIVAN was also asked if he knew the caliber of the gun that had been used to kill "the old man" on his street, referring to Mr. Clark." SULLIVAN replied, "I don't know the caliber."
 - c. The agents asked SULLIVAN, "[Y]ou didn't kill that old man (referring to Mr. Clark)?" SULLIVAN replied, "No Sir."
19. On June 20, 2015, SULLIVAN was interviewed again by agents of the FBI in Buncombe County, North Carolina. SULLIVAN was advised of his rights, waived his right to have an attorney present and agreed to provide truthful answers to the agents' questions.
 - a. On this occasion, SULLIVAN was informed that agents had searched his home and seized certain items of evidence. In response, SULLIVAN admitted that he had lied to the agents the day before and described where he had hidden the .22 Marlin that he had stolen from his father's gun cabinet.
 - b. The agents asked SULLIVAN again if he had "any information about [who killed Mr. Clark]." SULLIVAN replied, "I have no information."
20. SULLIVAN then well knew his statements above regarding his possession of a stolen rifle and knowledge of the circumstances of Mr. Clark's death were false in that he used the .22 Marlin hidden under his house to murder Mr. Clark by shooting him through the head.
21. The circumstances surrounding planned acts of terrorism and the possession and use of stolen firearms within the United States and involving U.S. citizens are matters within the jurisdiction of the FBI and the executive branch of the United States Government.
