Peshawar - April 21, 1992: AFGHAN NEWS LTD.
(after Bismillah, Hamd, and Salam on the Prophet s.a.w.)
Assalamu alaykum wa rahmatullah!

* The military wing of the Jihad seals its news with success everywhere. However, the matter is in the hands of the leadership to form the Islamic government to manage the country.

* Prof. Burhanuddin Rabbani (Amir of Jamiyat Al Islamiya, Afghanistan) informed us that the USA warned the Mujahedeen to stop the military operations. And, in reply to this, he confirms: 'Till we have reached all our goals'. Prof. Rabbani stated that we would not accept any party to enter our affairs and dictate us their points of views.

* The mujahedeen are in full control of the airbase at shandud.

* Engineer Hikmatiyar confirmed that we will not give to any foreign power the right to form our own government in Afghanistan. He added that the solutions are possible like the way we have demonstrated in the field of Jihad to open Afghanistan..... And we are in continued understanding with one another (i.e., among different Mujahedeen groups). Br. Hikmatiyar stated that if Pakistan wanted to expel the Arab-Mujahedeen brothers from her territory, then her first priority should have been to expel the Jews and the Christian missionaries from Pakistan..... He added by saying that the participation by the Arab-Mujahedeen brothers in the Jihad was an important aspect in demonstrating the concept (of brotherhood) to the world.

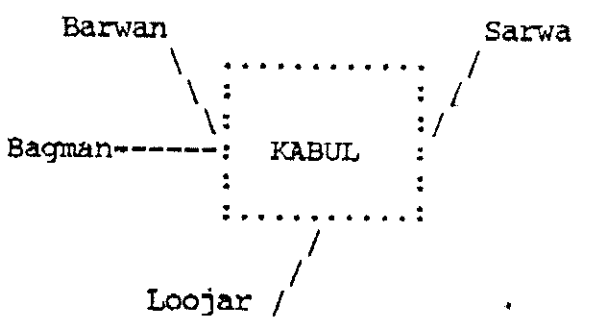

MILITARY ACTION OF THE DAY:

the province of Zabil has fallen into the hands of the Mujahedeen; so did the district of Mohamed Agaa and the tanks were heading to Loojar....

This day Jihad is going on in Bool Alam, the main city of the province of Loojar.....

The Mujahedeen asserted that the city of Bool Alam is now in their hands, alhamdulillah.

Therefore all the routes to Kabul are in the hands of Mujahedeen (as shown in the sketch below).

* We heard from Jalalabad that there is some resistance observed in some pockets of the area Fighting has started for that sake.... WE ALL PRAY TO ALLAH S.W.T. THAT VICTORY WILL SOON BE announced, inshallah!

Tonight is the date sent by Commander Masoud (to the Mujahedeen political leadership in Pakistan) for forming the Islamic government, so that he can start operation to enter into the city of Kabul.....
