

ACKNOWLEDGMENTS

I am the defendant. I am entering into this plea agreement freely and voluntarily. I am not now on or under the influence of any drug, medication, alcohol, or other intoxicant or depressant, whether or not prescribed by a physician, which would impair my ability to understand the terms and conditions of this agreement. My attorney has reviewed every part of this agreement with me and has advised me of the implications of the sentencing guidelines. I have discussed all aspects of this case with my attorney and I am satisfied that my attorney has provided effective assistance of counsel.
