2 *nothing wrong with that.*

3  
4 CW-2: *They know that already?*

5  
6 AA: *If you use that knowledge for the wrong reason, then it's bad, knowledge*

8  
9 DD: *Don't teach this fucking kid.*

10  
11 HA: *But we would know. We built it together.*

14  
15 CW-2: *Yeah, tree, big tree, right?*

32  
33 CW-2: *And you could not knock that tree down?*

34  
35 AA: *Not the fucking tree because we cut it with chain, chain saw.*

36  
37 CW-2: *Yeah.*

38  
39 AA: *But it's still even two of us we couldn't lift it up.*

40

6 UM: *Did it blow up.*  
7  
8 DD: *That shit blew the fuck up.*  
9  
10 AA: *But when they did the fucking nitros, the noz [PH] tank. That was the best.*  
11 *That burned everything. You can make a rocket so easy with that shit.*  
12  
13 DD: *They can make a rocket with propane tank.*  
14  
15 CW-2: *You say rocket, what kind of rocket? I am confused.*  
16  
17 AA: *The engine, the engine is the most important piece, and then of course you*  
18 *have to balance it.*  
19  
20 CW: *You are saying that you can make a rocket?*  
21  
22 AA: *If I have the engine yeah.*  
23  
24 CW-2: *Get the hell out of here.*  
25

27 *you know, radio things.*  
28  
29 CW-2: *Yeah.*  
30  
31 AA: *You can even make that bitch turn.*  
32  
33 CW-2: *Even, by, you can make the rocket yourself.*  
34  
35 AA: *I can go and be at White House. I can, we can, we can probably make*  
36 *rockets, load 'em in fucking 18-fucking-wheeler. Eighteen-big-ass rig.*  
37 *Load it up and just line 'em up.*  
38  
39 CW: *Yo.*  
40  
41 AA: *Nobody'll know, nothing.*  
42  
43 CW-2: *And you can command it from your house right?*  
44

1 AA: [UI] *somewhere. Stay somewhere in the fucking van. Load 'em up. And*  
2 *you can fucking turn them. Make it, into where you want to go for*  
3 *approximately quarter, quarter of a mile.*

4  
5 CW-2: *So I got some people in New York I have some bad, bad, bad thing with*  
6 *them, we don't get along. I don't get along with some people in NY. They*  
7 *are looking for my ass, so if really comes to that point can you build that*  
8 *motherfucker for me?*

9  
10 AA: *What, what, what do you want?*

11  
12 CW-2: *Blow the house or whatever, something.*

13  
14 SD: *I don't fucking kill kids.*

15  
16 CW-2: *Yeah Tony Montana.*

17  
18 AA: *Listen, though you, like, like I told you power knowledge is power. But I*  
19 *don't want to use it for wrong reasons.*

20  
21 CW-2: *Yo man, I'm gonna come and knock on your door and I'm gonna need that*  
22 *shit and if you tell me no.*

23  
24 AA: *The house is the easiest thing brother. I can make you bombs in a light*  
25 *bulb. It's the easiest thing.*

26  
27 CW-2: *Yo, if I get in the house, I can kill that mother fucker myself.*

28  
29 AA: *When you turn the fucking light on it will blow up.*

30  
31 [UI – Multiple people talking]

32  
33 CW-2: *Is that easy*

34  
35 AA: *I wish I was this old and I knew all these things when I was back home.*  
36 *I wish. I pray I was this old when I knew all these things. Everything is so*  
37 *easy, you don't even believe it. You can make a bomb like in a*  
38 *household items.*

39  
40 CW-2: *What don't you make money out of it?*

41  
42 AA: *Huh.*

43  
44 CW-2: *Why don't you make money?*  
45

1 AA: *Cause, if you get caught with that, forget about it. Like, like you said, it's*  
2 *not just me. I got the whole family I, I, I gotta look for.*  
3  
4 CW-2: *Why you go for that shit then? If I need one, you're telling me come and*  
5 *get it.*  
6  
7 SD: *I'm telling you he can do it. [Simultaneous with line below]*  
8  
9 AA: *No I'm not telling you can come. I'm just telling you that I can do it, and*  
10 *you can do it, and it's, it's easy. I'm telling you that knowing, it's nothing*  
11 *wrong with it. But using it for the wrong reason what makes it wrong..*  
12  
13 CW-2: *If I need one, are you going to get it for me?*  
14  
15 AA: *No.*  
16  
17 CW-2: *No.*  
18  
19 AA: *No because then I gotta live with that.*  
20  
21 CW-2: *Why did you tell me yesterday Besnik, I can get the gun in my name and*  
22 *give it to you but you have to give me your word or.*  
23  
24 AA: *I will not kill nobody.*  
25  
26 CW-2: *Or if you are in trouble, I'll come for you, so you don't make that thing for*  
27 *me, you don't you want to come for me.*  
28  
29 AA: *No, no, no you're cor-, you're confused*  
30  
31 CW-2: *You said if I am in trouble you can come for me right.*  
32  
33 AA: *If somebody, but if...*  
34  
35 CW-2: *Not come and drink coffee, come and kill someone.*  
36  
37 AA: *You gotta, you gotta define that trouble. If you go and look for that, for*  
38 *that, if you make that happen. If, if you are the reason why that's*  
39 *happening, I will not help you. I will not kill nobody. If somebody comes*  
40 *for you and you don't do nothing, you are right and they are wrong, I will*  
41 *die for you.*  
42  
43 CW-2: *What about next day you just figure it out that Besnik is dead because*  
44 *because that person, he killed him what are you going to do?*

AA: *I will go and kill him, but I gotta find out who is right and who is wrong.*

CW-2: *Even if I am dead and I was wrong, you don't kill him, no?*

AA: *No if you are wrong, no, because you asked for it. You gotta be a man and find out to handle your own, your own thing, because I can go out and punch people and fight people and stab people, that don't mean that you gotta come and kill them.*

AA: *Not necess-, it's not necessary. But a lot of us we can, we can make a big deal out of words. We saw what, what happened with the paint ball guns.*

[Overlapping talking]

CW-2: [UI] *Would you think we are family if I be dead tomorrow or after tomorrow. And it wasn't my fault. It was somebody else's fault. So you mean you can go and...*

AA: *I'll, I'll...*

CW-2: *....go fight?*

AA: *I'll kill him because I won't feel guilty.*

CW-2: *Yeah, what about your family?*

AA: [UI] *because they won't even know who, who, who fucking fucking did it.*

CW-2: *And what about your....*

AA: *They won't even know.*
