LASHKAR-E-TAIBA READY TO RAISE JEHAD IN PELESTINE:

Professor Hafiz Mohammad Saeed, Amir Lashkar-e-Taiba Markaz Ad-Dawa Wal Irshad declared the readiness and promptitude of Lashkar-e-Taiba's troops to sacrifice their lives for the cause of Allah in Palestine. Talking to the journalists, the worthy Amir said it is great obligation to relieve Al-Aqsa Mosque from the shackles of Jews. "We are ready to perform this duty," he said. Each Mujahid of Lashkar-e-Taiba desires to be martyred in the holy Bait Al-Maqdas.

Professor Hafiz Mohammad Saeed stressed the heads of Islamic states, to break their economic, business and political ties with Israel and ban the Embassies in their countries. He further added that the failure of Camp David Negotiations (Agreement) must be a lesson for the Muslims showing that Jihad for the cause of Allah is the only means to get free the holy places.

The Amir explained that Lashkar-e-Taiba has all the rights to fight on behalf of Palestinian Muslims when Israelite Commandoes and instructors have no restriction to assist the Hindu army in Kashmir. It has become incumbent upon the Muslims to raise Jihad against the Jews who are engaged in the massacre of unarmed Muslims in Kashmir and Palestine.

He further emphasized the Muslim Ummah to raise a joint Jihadic venture against the non-believers who have on their part unitedly invaded the Muslims today. He said the United Nations Organization and the Security Council have always defended the Jews and Christian interests. Their

attitude as well as the resolutions have always caused harm to the Muslims. Hence, it is the need of the hour for the Islamic countries to strive for the establishment of a Muslim Commonwealth by leaving the membership of UNO. Similarly, they must delink their business with the instititious of World Bank and the IMF and set up an Islamic Monitory institution so that Muslim Freedom may not be usurped.

While expressing his ideas on the issues of 'attacks on American ship in Yemen' 'hijacking of Saudi aero-plane' and 'the massacre of 17 soldiers', the Amir Lashkar-e-Taiba said it is nothing but American heinous plan just to deviate world's attention form the largescale carnage of unarmed Palestinian Muslims and to defame the Jihad and the Mujahideen As well. "Mujahideen Lashkar-e-Taiba does not favour to undertake these operations, as such-like activities are mostly advantageous to America. The real Jihad in fact, is to target the Jews points and to kill them in their own homes", the Amir concluded.
