Document Description:

 Letter written in Arabic to Mohamad from Abu Adam dated 9/20/98.

## In His Name

Peace and continuous prayers on Mohamad and his family whether in the day or at night.

My beloved and dear brother and friend Mohamad may Allah protect [you].

May Allah's peace, mercy and blessings be upon you.

I send you pleasant greeting filled with the emotions of Islam and asking Allah that you would be in the best health and shape, which I always ask for.

Following, I wish you luck in everything that you do and I wish the same for all the believers.

If you care to know about me, I am well, thanks to God, and ask Allah to include the blessings onto everyone.

Brother Mohamad, let me open a subject that may a bit late but better late than never. If there is an opportunity to work with you on what you are doing, as a driver, without causing inconvenience for you or anyone else, then keep me on your mind. And if I thank you for your offer regarding this issue seven months ago, but the circumstances were different then than they are now, I am ready to work at any time and immediately.

In any case, if there was an opportunity, please let me know and you have my sincere appreciations and rewards.

My regards to everyone who asks about me on your end.

Wishing you well

Your brother, Abu Adam

Note: Please send a box, I may be able to do something here, of course if someone was coming.
