Letter written in Arabic to

Mohamad (LNU) from Abbas

Alharaka.

In H.s Glorified Name

Greetings of Islam...

My dear brother, first, I ask Allah that my message reaches you while you are in best health. When the letter is far away and the love is eternal and relationship is strong, it is impossible for words to summaries or depict an accurate picture of the amount of love that I have for you. We knew each other in the several locations where we worked together, and the distance could not at least separate us from you. And this is a big sign that shows you the great admiration that I have toward you.

My brother and loved one Mohamac...words are nothing but an illustration, hopefully accurately, towards a dear brother who has not forgotuen his field of work, which represents a tremendous honor today for everyone whom Allah has helped to be a servant in it.

What I ask of you, and my trust in you is great, and my request is not because I am a source of guidance but based on the saying "and remind them for the reminder helps." I remind you and your sister to nevel sever your good relationship with Allah. And to always direct yourself towards his holy land of Jerusalem, and that this life would not be an obstacle in the way of reaching his acceptance and forgiveness.

This lift. Mohamad, which if you examined with a truthful eye, you would see it as illusion and mirage. It is what appeared at the doors of the Leader of the Believers, Ali, to give him wealth and fame and power. Life, all this life, stopped at the door

of Ali, humble and begging, so he said to it "Oh life, stay away from me, I have not missed [handwriting is illegible] and he said in a different time, "by Allah, if I was offered the seven territories and what's above and below them to disobey Allah in giving a grain of wheat to an ant I would not."

Brother Mohamad, in regards to the situations at our end, it is good, thanks to Allah. It is a lot different from what it used to be. It is always towards the better.

As for your news, it reaches us through your communications which I hope you will not stop. Here, on this occasion, I encourage you to continue your non-forbidden work, and what money you cultivate in there will help you in the needs of life, and the most important one is the non-forbidden income...and don't dare (just a reminder) to waste it in other than that...

Brother Mohamad, we are awaiting your return to see you amongst us...and for you to return to the land you love and for which your brothers have shed their blood to hold onto.

Allah extend your prayer onto Mohamad and his family Oh Allah be the support to your servant and extend your prayers onto him and his parents this hour and in every hour, as a quide, protector and leader

long in it oh the most merciful and forgiving

Your brother and servant Abbas Alharaka [alharaka in Arabic means the movement]
