In the Name of Allah the Most Compassionate the Most Merciful

Peace and prayers on the most noble of all of Allah's creations and the most honored prophet, Mohamad, and on his virtuous family members

Peace be upon you, the father of Abdullah, and on the souls which [illegible] I send you the eternal greeting of Allah and may Allah permit me the opportunity to visit you. Peace be upon the Hussein and Ali, the son of Hussein and on the sons and companions of the Hussein.

Peace be upon the virtuous soul of our honorable Imam, the holy great Imam Khomeini. Peace be upon Bader Al-Kharasei, the holder of the guidance flag, the vice-Imam, and the leader of Muslims Mr. Ali Gawad Al-Husseiny Al-Khamaeni, may Allah bless him.

My beloved brother Mohamad Hammoud, I hope this letter

finds you in good health and strong faith.

First, I would like to ask you to forgive me for not writing you and to follow the saying of the prophet, if you can't find an excuse for a fellow believer, make one for him. So, I hope you make one for me because I don't have one. I am the one who failed [to stay in touch] and I ask forgiveness.

Brother Mohamad, from where do I start and I can't find things to say, but my pen is eager to talk firstly about the master of all the Islamic Resistance's martyrs, Mr. Abbas Al-Mousawy and about our honorable martyrs. As you know, (the Party of...) is a road filled with blood and the march was meant to be continued with the blood of the martyrs and that of the Master of Resistance's martyrs

No longer can anyone say that the leaders are watching while the young ones are being killed. For his blood was the best evidence that (the Party of...) is the only party in the arena that defends the honor of the nation with all its groups including its youth, leaders and blood. (The Party of...) discovered it status among the people as the funeral of Mr. Abbas is the best example to show that the nation is aware of the conspiracy and knows that (the Party of Allah/Hizballah) is the one that is righteous in this battle and [illegible] its blood the victories have came one after another, and the believing youth has rushed to face heroism until he died. After that it became evident that his blood is remaining in the veins of the fighters, so for his soul, and that of his wife and child, hundred greetings.

Brother Mohamad, this letter can not cover everything but I will try to give you a general idea, even if a little one, of the situation here in general and especially (the Party of...).

Militarily, (the Party of Allah/Hizballah) is in constant movement and is always in a state of readiness to face the next phase. Politically, the biggest party that enjoys support in its political work is Hizballah, especially after the impressive winnings in the House of Representatives' elections, in which (the Party of...) has won in a sweeping victory.

On the educational level, during the election of the committee members in the University of Lebanon, with all its branches, (the Party of...) had an impressive and sweeping victory, in which it gained control of the university and the student body there.

In regards to the election of the teachers' office in the south, (the Party of...) has defeated all the ballots.

On the fighting level, there is large internal preparation on this level, thanks to Allah.

On the organizational level, matters, thanks to Allah, are on the best level with the blessing of the General Secretary, the honorable Hassan Nasserallah (may Allah bless him) / may Allah protect this movement with the blessings of the Flag Holder, the honorable leader Al-khamaeni (may Allah bless him) may Allah help us become devoted to his leadership for it is an extension of the leadership of the Leader of the Believers.

In regards to the special situation in the region and especially in the Raml, as you know, we don't leave a small or big religious occasion without celebrating and our involvement is increasing day after day and the guys are arriving more and more, and the situation is growing faster than normal, because, of course, of the blessings of the blood of the martyrs as mentioned.

All the guys there are alright and send their regards,

especially the brother Hajj Ali Shamadah

Brother Mohamad, I can't write you everything, but know that we are alright and stronger than we were, holding on to our weapons to protect the dignity of our nation.

Brother Mohamad, write me about your situation and

condition in general.

I advise you, and I am not the one to do that, to never turn your back on Islam because it is the spirit of life and the crown of pride and belonging to Mohamad and Ali and the Zahraa

It is the title of dignity and honor, and that means

belonging to the honor and dignity and virtue.

Brother Mohamad, does whomever have the prophet and his companions and family members in his life get impressed by anything or look up to anyone? Allah forbid. Read the Koran for it is the spring season for the heart. Pray to Allah with loud voice and commitment and ask him to make us hold on to his religion.

I remember you, Mohamad, when we used to enter Al-Hussein Mosque for prayers or when we used to go up to look at the guys in the [illegible], I always remember you and remember your virtuous smile which I miss.

You know well that I don't like flattery, but I am honestly telling you that I miss you... I am awaiting you... to . continue what Allah and his prophet wanted ...

As far as myself, I now have two kids: Ali Akber and

Zynab Al-Kubra (Abu Ali)

Greeting from heart to heart and soul to soul, greetings of the virtuous strong faith, and that of one believer to another and the lover to the loved one.

In the end I ask for your prayers your longing brother, Sheik Abbas

Alaa
