Re: Information Request No. 2012-07511

Dear Mr. Emerson:

This is in response to the above-referenced Freedom of Information Act (FOIA) request you submitted to the Federal Bureau of Prisons (BOP). Specifically, you requested copies of the Federal Bureau of Prisons' (BOP) inventory of Islamic library materials and any BOP memorandum regarding Islamic religious literature and material, print or electronic, since 2008.

In our response to you, dated September 5, 2012, we informed you that a fee of $40.10 was assessed. The BOP received your payment in the amount of $40.10 on September 24, 2012.

In response to your request, the BOP staff located five hundred one (501) pages responsive to your request. These documents were forwarded to this office for a release determination. After careful review, we have determined that these documents can be released in their entirety with no information redacted.

In response to your request for memorandums, no records were located responsive to your request. Chaplaincy Services in Central Office was contacted and no responsive records were located. There are no other locations where this record would be stored that would likely lead to the discovery of the record with a reasonable amount of effort.

If you consider my response to be a denial of this request, pursuant to Title 28 Code of Federal Regulations, Section 16.9 or 16.45, you may appeal to the Assistant Attorney General. This written appeal must be received by the Office of Information Policy (OIP) within 60 days from the date of this letter. Both the appeal letter and face of the
