Nura Sediqe nasediqe@umich.edu
Abdulrahman El sayed elabdul@umich.edu

The MSA offers many services for incoming freshmen, such as housing. There are alternative housing for students besides the dorms. We can help find cost-efficient, friendly living environments on campus for new students to UofM, as well as help with matching roommates. Housing is only one of our services for fellow Muslims. Below is a list of some of our annual activities for prospective students. For more information please feel free to contact our Outreach Committee co-chairs:
