Dear Brothers and Sisters:

Please allow me to welcome you to this year’s annual convention. Please join me in praying to the all mighty ALLAH to make this convention a way to serve him and to be for his pleasure, to bless us all and to reward you for all of your troubles to get here to be with the rest of your brothers and sisters.

Please join me to thank the brothers and sisters who put hundreds of hours and spent many nights to produce this conference. Those brothers and sisters did every thing to make sure that every and each of you leaves this conference enriched, wiser, fulfilled, and had a good time. We ask ALLAH to forgive us for our short comings, and guide us to his right path.

The IAP shall strive to cover issues relevant to the cause of Palestine and, issues facing the American and, International Muslim Ummah. We ask for your cooperation and input throughout the convention. The insight you share about Palestine and the Muslim Ummah will be of utmost important for us to strive for excellence.

Palestine is the land of the prophets, Al-Aqsa mosque is the first Qiblah, the second mosque...
