Dear Dr. Mark Orr,

This is a follow up to our letter dated Nov. 12, 1991. The Articles of incorporation for World and Islam Studies Enterprise (WISE) inc. were filed on February 21, 1991 and assigned document number N42200. As I stated before, funding for our research activities is provided by several non-profit organizations and well as private individuals residing inside and outside the United States. Our largest contributor is the Washington-based International Institute for Islamic Thought (IIIT). A brochure describing IIIT and its activities is enclosed.

We hope that this follow up letter answers any questions you may have about our legal and financial status. If you have any further questions, please do not hesitate to get in touch with me again.

Sincerely Yours

Ramadan Abdullah, Ph. D.
Director of Administration
